SERVICE BULLETIN

- * Do not mix hardware and software versions.
- ** JobCom HW version 2 is used on all sprayers with JobCom prior to the DynamicFluid 4 fluid system. JobCom HW version 3.1d replaces all previous HW version of the JobCom. See SB15-016 for further information.
- *** JobCom HW version 3.0 is used on sprayers with DynamicFluid 4 system, such as Commander 7000. JobCom HW version 3 is also used on the updated Master. JobCom HW version 3.1d replaces all previous HW version of the JobCom. See SB15-016 for further information.
